Want to talk to computers?

So, learn the language of computers: The C language

Why C?

→ You can make your computer *do anything* after you have learnt C.

→ Generally a *pre-requisite* for higher languages like Java, C++, and Python.

→ *Games* like FIFA and Counter Strike are built in C and Visual C++.

→ *Essential course* for anyone who wants to pursue engineering in CSE and IT.

→ *Must learn language* in this competitive world.

Admissions Open

Why Us?

→ Graduated (B. Tech. in IT) from *College of Engineering, Pune (COEP), 2012*.

→ Post graduated (M. Tech. in CSE) from *IIIT-Hyderabad, 2015*.

→ *Experience* of teaching C and Algorithms to 143 M. Tech students at IIIT-Hyderabad*.*

→ Learn C, the *practical* way. Practical application and usage of every concept of C.

→ *192 extensive programs* designed for perfect understanding of C language.

→ *Personal guidance* during practical sessions and doubt solving sessions.

→ *Flexible timings* of practical sessions and dedicated timing for doubt solving sessions.

Batch 1 starts from 6th May

One month summer special batches for 9th standard and onwards
